

October 2021

MEDIA RELEASE

On Sunday the 7th of November, Mosman Park Men's Shed will be hosting our very popular, community event, **Mosman Craft Market**.

This annual Market attracts an amazing selection of West Australian produced crafts, special attractions and useful items for every taste and budget. It is also conveniently timed, being close to Christmas and thus able to solve some of those difficult present problems! The Market is a CovidSafe event.

Families will be well catered for with a variety of food from various outlets including, of course, the fabled **Men's Shed BBQ** or the **Shed Café** for a Devonshire tea. Children will be able to enjoy a **Bouncy Castle**, **Face Painting**, the **Swan Valley Cuddly Animal Farm** and **Pony rides**. Four musical groups will provide continuous live entertainment including the **Mighty Camelot Choir** - enjoy the ambience whilst dining out on some of the Shed's delicacies! There will be a magnificent display of vehicles from well-known marques, both road and special racers, some **Classic Bikes**, and the latest **Tesla Electric Cars** on display. Plus, the usual **Raffle with fabulous prizes**, **Garden Sales** (cheaper than Bunnings) and **Pilates in the Park**, from **Featherstone**, (bring your own towel and mat) starting at 10.30.

Furthermore, some new attractions this year include a special **Photo Booth**, and the fire services will bring their **Big Fire Engine** which we are sure the kids will love. Local Community Groups have also been invited to join in the fun on the day and will showcase life in Mosman Park.

The Craft Market is being held on Sunday 7th of November at Tom Perrott Oval, McCabe Street, Mosman Park, WA 6012. Gates open 9:30am – 2:30pm. Come tour the Men's Shed including our recently acquired woodwork machinery and see some of the fabulous items produced by the Members.

Entry Fee is a \$2 gold coin (adults only – children free), which goes towards Shed financing. For Public Transport options contact Transperth – Train 20 mins walk, Bus 100m. Bicycle Racks and Car parking available.
